

May 4, 1973

SENATOR SNYDER: Well, Mr. President, I am the introducer and I would love to take care of the bill but I assure you it will be controversial.

PRESIDENT: Okay. Senator Snyder's asking 131 to be passed. That brings up 484 then, by the Executive Board. Senator Carpenter.

(End of Belt #18)

(Begin Belt #19)

All right, LB 484.

CLERK: Reads title to LB 484. There are committee amendments by Senator Schmit's Agriculture Committee.

PRESIDENT: Chair recognizes Senator Schmit.

SENATOR SCHMIT: Mr. Chairman, members of the Legislature, I move the adoption of the committee amendments. The committee amendments, Mr. Chairman, are strictly explanatory. They say on page 2 line 8 strike "such other officers" and show as stricken, on line 9 strike "such" show as stricken, on line 10 insert "upon the recommendation of the" and then on page 5 line 3 insert the words "or for words at legislative standing or special committee meetings". It has to do with the powers of the Executive Board and I think there's no controversy regarding these bills as far as I know. There's no opposition at the hearing. I move the bill be, the committee amendments be adopted.

PRESIDENT: Now is there any further discussion of the committee amendments to LB 484? Senator Goodrich.

SENATOR GOODRICH: Senator Schmit...

PRESIDENT: Take your hand off the mike, Senator Goodrich, thank you sir.

SENATOR GOODRICH: Are you explaining 484 or 485?

PRESIDENT: 484 is the bill under consideration and Senator Schmit's committee amendments. It's the chair's understanding.

SENATOR SCHMIT: Pardon me, I was on 485, yes. This is 484 which has to do with the Department of Environmental Control. On page 2 then line 12 for purposes of this section the Director of Environmental Control shall review the established priorities each six months. I move the adoption of the amendment.

PRESIDENT: Is there need for further discussion now of the committee amendments to LB 484? Senator Goodrich, do you have any more questions? Question is, shall the committee amendments be adopted? All those in favor please say aye, those opposed say no. So ordered, the committee amendments then to 484 have now been adopted. Are there other amendments?

CLERK: Okay now Mr. President there are amendments offered by Senator Carpenter to LB 484. Reads.

PRESIDENT: Chair recognizes Senator Carpenter.

SENATOR CARPENTER: I move for the adoption of the amendment. Now the reason for the amendment, we contacted the Federal Department in Kansas City who indicated if the bill was going to be passed these amendments were necessary in order to conform in compliance with the federal requirements in the area of the appropriation of these kind of funds. I move for the adoption of the amendments.
